## **St John's Hospice (11 shops)**

Charitable Activities: St John's Hospice is a local charity supporting patients and families in North Lancs and the South Lakes since 1986. Serving a population of over 250,000 people, we are specialists in providing free palliative care for a range of life shortening conditions. Our care will always be free to those who need it, but it isn't cost free. It costs over £5.1 million a year to run the hospice with only around a third of this amount provided by government funding. The remaining two thirds must be raised through events, community donations, grants & legacies. St John's Hospice has been part of the local community for over thirty years and provides vital service to patients and families all over our community. Our aim is to ensure that on the journey towards the end of life, we provide the right care, in the right place, at the right time. Having a life shortening condition does not mean that quality of daily life should suffer.

Operating in: North of England.

Able to accept following product types: clothing and accessories, other textile items, footwear, small furniture, large furniture, small electrical goods and books,

## **Valley CIDS - Lighthouse (36 shops)**

Charitable Activities: Valley CIDS is a children and young peoples charity committed to serving local communities through our outreach work. Lighthouse charity shops help raise funds to ensure our children and youth teams can support underprivileged families. Our Christian values underpin our ethos and values we aspire to help as many people as possible. We also have a talented Men in Sheds team based out of our 48 acre Farm in Swanwick. As a medium scale local charity we are always looking for innovative ways to help towards the success of our charity. Many of our young people have gone on to work in different departments of our charity.

Operating in: Midlands, North of England.

Able to accept following product types: clothing and accessories, other textile items, footwear, small furniture, large furniture, white electrical goods, small electrical goods, books, bric a brac and garden items.
