Civil sanctions

10. The Schedule (civil sanctions) has effect for the purpose of the enforcement of an offence under regulation 3(1).

Powers of entry and examination etc.

11.—(1) The powers which an enforcement officer may be authorised to exercise are—

- (a) to enter at any reasonable time any premises (other than premises used wholly or mainly as a dwelling) which the enforcement officer has reason to suspect it is necessary to enter for an authorised purpose;
- (b) when entering any premises under sub-paragraph (a)—
 - (i) to be accompanied by another enforcement officer; and

 - (iii) to require the production of, or where the information is recorded in computerised form, the furnishing of extracts from, any documents which it is necessary for the enforcement officer to see for the purposes of any such examination or investigation;
- (d) as regards any premises which an enforcement officer has power to enter under sub-paragraph (a), to direct that those premises or any part of them, or anything in them,

be left undisturbed (whether generally or in particular respects) for so long as is reasonably necessary for the purpose of examination or investigation under sub-paragraph (c);

- (e) to take any samples, or cause samples to be taken, of any articles or substances found in or on any premises which an enforcement officer has power to enter under sub-paragraph (a), and to cause any such articles or substances to be analysed or tested;
- (f) in the case of any such sample, to take possession of it and to retain it for so long as is necessary for all or any of the following purposes—

 - (ii) to ensure that it is not tampered with before the examination is completed;
 - (iii) to ensure that it is available for use as evidence in any proceedings for an offence under these Regulations.

(2) Except in an emergency, where an enforcement officer proposes to enter any premises and—

- (a) entry has been refused or the enforcement officer apprehends on reasonable grounds that entry is likely to be refused, and
- (b) the enforcement officer apprehends on reasonable grounds that the use of reasonable force may be necessary to effect entry,

any entry onto those premises by virtue of paragraph (1)(a) may only be effected under the authority of a warrant.

(3) Nothing in paragraph (1)(c)(iii) compels the production by a person of any documents of which that person would on grounds of legal professional privilege be entitled to withhold production on an order for disclosure in an action in the County Court or High Court.

(4) An enforcement officer may only exercise the powers in paragraph (1) in the reasonable belief that an offence under regulation 3(1) has been or is being committed.

(5) An enforcement officer seeking to exercise a power under paragraph (1) must produce evidence of identity and authority if requested by a person who is, or appears to be—

- (a) a supplier of wet wipes containing plastic or an employee of such a supplier;

- (a) that there are reasonable grounds to enter any premises in exercise of the power in paragraph (1)(a); and
- (b) that any of the conditions in paragraph (2)(a) or (b) is met,

the justice of the peace may by warrant authorise an enforcement officer to enter the premises, if need be by reasonable force.

Publication of information about enforcement action

12.—(1) Where a regulator imposes civil sanctions under these Regulations in relation to an offence under regulation 3(1), the regulator must from time to time publish—

- (a) the cases in which the civil sanction has been imposed;
- (b) where the civil sanction is a fixed monetary penalty or compliance notice, the cases in which a third party undertaking has been accepted; and
- (c) the cases in which an enforcement undertaking has been entered into.

(2) In paragraph (1)(a), the reference to cases in which the civil sanction has been imposed does not include cases where the sanction has been imposed but overturned on appeal.

(3) This regulation does not apply in cases where the regulator considers that publication would be inappropriate.

PART 4 Supplementary

Guidance

13.—(1) Each regulator must publish guidance about its use of civil sanctions under these Regulations in relation to an offence under regulation 3(1).

(2) In the case of guidance relating to a fixed monetary penalty, compliance notice or stop notice, the guidance must contain the relevant information set out in paragraph (3).

(3) The relevant information referred to in paragraph (2) is information as to—

- (a) the circumstances in which the penalty or notice is likely to be imposed;

- (c) rights to make representations and objections and rights of appeal; and
- (d) in the case of a fixed monetary penalty, the amount of the penalty, how liability for the penalty may be discharged and the effect of discharge.

(4) The regulator must revise the guidance where appropriate.

(5) The regulator must consult such persons as it considers appropriate before publishing any guidance or revised guidance under this regulation.

(6) The regulator must have regard to the guidance or revised guidance in exercising its functions.

Review

- (b) from time to time carry out a review of the regulatory provision contained in these Regulations (including Part 3 and the Schedule); and
- (c) publish a report setting out the conclusions of any review.

(2) In the case of a review under paragraph (1)(a)—

- (a) section 67 of the Regulatory Enforcement and Sanctions Act 2008 requires that the review must in particular consider whether the provision has implemented its objectives efficiently and effectively;
- (b) the Secretary of State, in conducting the review, must consult such persons as the Secretary of State considers appropriate; and
- (c) the Secretary of State must lay a copy of the report under paragraph (1)(c) before Parliament.

(3) In the case of a review under paragraph (1)(b)—

- (a) the first report must be published before the expiry of the period ending five years from the date on which these Regulations come into force;
- (b) subsequent reports must be published at intervals not exceeding five years; and

(c) section 30(4) of the Small Business, Enterprise and Employment Act 2015^(a) requires that a report published under this regulation must, in particular—

(i) set out the objectives intended to be achieved by the regulatory provision referred to in paragraph (1)(b);

(ii) assess the extent to which those objectives are achieved;

(iii) assess whether those objectives remain appropriate; and

(iv) if those objectives remain appropriate, assess the extent to which they could be achieved in another way which involves less onerous regulatory provision.

(4) In this regulation “regulatory provision” has the same meaning as in sections 28 to 32 of the Small Business, Enterprise and Employment Act 2015 (see section 32 of that Act).

- (a) a requirement to pay to the regulator a penalty of £200 (a “fixed monetary penalty”); or
 - (b) a requirement to take such steps as the regulator may specify, within such period as it may specify, to secure that the offence does not continue or recur (a “compliance notice”).
- (2) Before doing so the regulator must be satisfied beyond reasonable doubt that the person has committed the offence.
- (3) A requirement under sub-paragraph (1)(a) or (b) may not be imposed on a person on more than one occasion in relation to the same act or omission.

Notice of intent

- 2.—(1) Where a regulator proposes to serve a fixed monetary penalty or a compliance notice on a person, the regulator must serve on that person a notice of what is proposed (a “notice of intent”).

 - (b) the requirements of the proposed compliance notice and, in the case of a penalty, the amount to be paid;

- (4) A person’s liability to a fixed monetary penalty is discharged if the person pays the sum of £100 to the regulator within the time period specified in sub-paragraph (3).
- (5) A person on whom a notice of intent is served may, within 28 days beginning with the day on which the notice was received, make representations and objections to the regulator in relation to the proposed imposition of a fixed monetary penalty or compliance notice.

Third party undertakings

3.—(1) A person on whom a notice of intent is served in relation to a proposed compliance notice may offer an undertaking as to action to be taken by that person (including the payment of a sum of money) to benefit any third party affected by the offence (a “third party undertaking”).

(2) The regulator may accept or reject any such third party undertaking.

Final notice

4.—(1) After the end of the period for making representations and objections, the regulator must decide whether—

- (a) to impose the requirements in the notice of intent, with or without modifications; or

(2) Where the regulator decides to impose a requirement, the notice imposing it (the “final notice”) must comply with paragraph 5, in the case of a fixed monetary penalty, or paragraph 6, in the case of a compliance notice.

(3) The regulator may not impose a final notice on a person where the regulator is satisfied that the person would not, by reason of any defence, be liable to be convicted of the offence to which the notice relates.

Completion certificates

12.—(1) Where, after service of a stop notice, the regulator is satisfied that the person has taken the steps specified in the notice, the regulator must issue a certificate to that effect (“a completion certificate”).

(2) The stop notice ceases to have effect on the issue of a completion certificate.

(3) The person on whom the stop notice is served may at any time apply for a completion certificate.

(4) The regulator must make a decision as to whether to issue a completion certificate, and give written notice of the decision to the applicant, within 14 days of such an application.

(2) An “enforcement undertaking” is a written undertaking to take such action as may be specified in the undertaking within such period as may be so specified.

Contents of an enforcement undertaking

18.—(1) An enforcement undertaking must specify—

- (a) action to secure the offence does not continue or recur;
- (b) action (including the payment of a sum of money) to benefit any person affected by the offence; or

(2) It must specify the period within which the action must be completed.

(3) It must include—

- (a) a statement that the undertaking is made in accordance with this Schedule;
- (b) the terms of the undertaking; and

- (c) information as to how and when the person giving that undertaking is to be considered to have discharged the undertaking.

(4) The enforcement undertaking may be varied, or the period within which the action must be completed may be extended, if both parties agree in writing.

Acceptance of an enforcement undertaking

19. If a regulator has accepted an enforcement undertaking, then, unless the person from whom the undertaking is accepted has failed to comply with the undertaking or any part of it—

- (a) that person may not at any time be convicted of the offence in respect of the act or omission to which the undertaking relates; and
- (b) a regulator may not impose on that person a fixed monetary penalty, a compliance notice or a stop notice in respect of that act or omission.

Discharge of an enforcement undertaking

20.—(1) If a regulator that has accepted an enforcement undertaking is satisfied that the enforcement undertaking has been complied with, it must issue a certificate to that effect.

(2) The regulator may require the person who has given the undertaking to provide sufficient information to determine that the undertaking has been complied with.

(3) The person who gave the undertaking may at any time apply for such a certificate.

(4) The regulator must decide whether to issue such a certificate, and give written notice of the decision to the applicant, within 14 days of such an application.

Appeals against a decision not to issue a certificate

Inaccurate, misleading or incomplete information

22.—(1) A person who has given inaccurate, misleading or incomplete information in relation to an enforcement undertaking is to be taken not to have complied with it.

(2) A regulator may by notice in writing revoke a certificate which it issued under paragraph 20 if it was issued on the basis of inaccurate, misleading or incomplete information.

Non-compliance with an enforcement undertaking

23.—(1) If an enforcement undertaking is not complied with, the regulator that accepted the undertaking may either—

- (a) serve a fixed monetary penalty notice, compliance notice, non-compliance penalty or stop notice; or
- (b) bring criminal proceedings.

(2) If a person has complied partly but not fully with an enforcement undertaking, that partial compliance must be taken into account in the imposition of any criminal or other sanction on the person.

(3) Criminal proceedings for an offence to which an enforcement undertaking relates may be instituted at any time up to six months from the date on which the regulator notifies the person required to comply with that undertaking of that person's failure to do so.

PART 4

Non-Compliance Penalties

Non-compliance penalties

24.—(1) If a person fails to comply with a compliance notice or a third party undertaking, the regulator may serve a notice on that person imposing a monetary penalty (a “non-compliance penalty”) in respect of the same offence.

(2) The amount of the penalty must be determined by the regulator, and must be a percentage of the costs of fulfilling the remaining requirements of the compliance notice or third party undertaking.

(3) The percentage must be determined by the regulator having regard to all the circumstances of the case and may, if appropriate, be 100%.

Appeals against non-compliance penalties

25.—(1) The person on whom the notice imposing the non-compliance penalty is served may appeal against it.

Enforcement cost recovery notices

27.—(1) A regulator may serve a notice (an “enforcement cost recovery notice”) on a person on whom a relevant notice has been served requiring that person to pay the costs incurred by the regulator in relation to the imposition of the requirement imposed by the relevant notice up to the time of its imposition.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which apply in relation to England, prohibit persons from supplying or offering to supply wet wipes containing plastic.

Part 2 prohibits the supply of wet wipes containing plastic subject to certain exceptions (regulations 4 to 6). The exceptions include the supply of wet wipes containing plastic by registered pharmacies, for medical purposes, or to local authorities. Breach of the prohibition is an offence (regulation 3), subject to the mutual recognition principle in the United Kingdom Internal Market Act 2020 (c. 27) where applicable.

A civil sanctions regime is also introduced to enable regulators to impose a range of civil sanctions (regulation 10 and the Schedule). These are fixed monetary penalties, compliance notices, stop notices and enforcement undertakings. These Regulations make provision for the procedure relating to these sanctions and the available appeal mechanisms. Failure to comply with a stop notice is an offence (paragraph 16 of the Schedule). All appeals relating to a civil sanction are to the First-tier Tribunal.

Regulations 9 and 11 provide for enforcement officers to have powers of entry to carry out the necessary investigation in order to determine whether an offence has been committed.

Regulation 12 provides for the publication of information on enforcement action taken by regulators. Regulation 13 provides that guidance relating to the use of civil sanctions must be prepared and consulted on and specifies information to be included in such guidance. Regulation 14 contains provision for review of the Regulations.

Regulators are able to recover the costs of enforcement (paragraph 27 of the Schedule) in the case of compliance notices and stop notices and must issue guidance about their use of enforcement cost recovery notices.
